Description

Latitude: Latitude: NGS

The map displays a grid with several districts labeled: Poplar Bluff, Mayfield, Murray, Union City, Kennett, Paragould, Dyersburg, Jonesboro, Blytheville, Brownsville Jackson, Searcy, Forrest City, Corinth, Stuttgart, Pine Bluff, Clarksdale, Oxford, Tupelo, and Graceland. A red line outlines a large area, a blue line outlines a smaller area, and a green line follows a winding path. A small red dot is located near Memphis.

Searching is enhanced because the application uses data from GNIS and Tiger Data.
