MEMORANDUM THRU CEMVM-ED

FOR CEMVD-TD-TW

SUBJECT: Final Draft of Comparison Report entitled: "Comparison Studies to Identify Model to Prototype Agreement", Micromodel Joint Venture Evaluation

1. Copies of the final draft of the report entitled, "Comparison Studies to Identify Model to Prototype Agreement" have been sent by separate carriers to all technical members of the Joint Venture evaluation. The subject report was prepared in partial fulfillment of the Micromodel Joint Venture Evaluation begun in 1999.
2. Request review of the subject report. Please provide any comments by 27 September 2002 to POC listed below.
3. The POC is Andy Gaines, CEMVM-ED-H, (901) 544-3392.
