EMAIL RE: REPORT

Gaines, Roger A MVM

From: Maynard, Stephen T ERDC-CHL-MS
Sent: Monday, August 26, 2002 4:38 PM
Subject: Gaines, Roger A MVM; Gordon, David MVS report

Andy,

It is clear we have disagreement over the conclusions of this evaluation. Are we writing this report in vain? What do your higher ups say about this table that contains differing opinions? I don't want to waste time if this is not going anywhere. Any executive summary of this report will have to note these differences in opinion. If there is a plan for dealing with these differences, I would like to know what it is.

Steve
